

SSTT årsmöte 2016

Oslo 2016 05 19-20

SUOMEN KAIVAMATTOMAN TEKNIIKAN YHDISTYS RY  
FINNISH SOCIETY FOR TRENCHLESS TECHNOLOGY

There was 175 persons taking part to the annual meeting

SSTT got a new chairman, Lars Wermskog from the city of Oslo (in the front from backside). The past chairman David Jacobsson gave a speech to the new chairman.

In the conference there was discussions also about co-operation in the Europe

I gave a speech about the activities inside the ISTT, especially in esc and also FiSTT.  
I also promised to help the new chairman and introduce him to ISTT family if he will come to Beijing.

After the meeting we gave the FiSTT standard to SSTT. People from left Riitta Virtanen FiSTT, David Jacobsson SSTT, Jukka Huusko FiSTT, Jari Kaukonen FiSTT and Lars Wermskog SSTT

We had a very nice dinner in the evening,  
thanks to SSTT
